May 29/2019

Dear Parents,

Thank You and Personal Invitation- 2019 Year End Annual Ceremonial Review

First, I want to thank you for all the assistance you provided your Cadet, and your support of the Squadron in the many events and initiatives undertaken. This year we have grown, and as a unit; have had significant achievements. This would not have been possible without your help and the many volunteers assisting.

The end of the Cadet training year is fast approaching. **We are requesting that parents and guests join us on Saturday June 8/ 2019 at 12: 45 pm sharp, at the Iroquois Park Arena, 500 Victoria Street West, Whitby, Ontario, as we close out the training year with our Annual Ceremonial Review.** Please note that Cadets are requested to be at the arena at 8:30 a.m. for practice with their full kit. Please review the website for instructions and requirements for participation.

The Annual Ceremonial Review (ACR) is the most important event of the Air Cadet training year. This mandatory event is the opportunity for the Cadets to display what they have learned over the past training year to their families and assembled guests. It is also the opportunity for the Squadron to honour deserving cadets by; presenting them with various awards.

The ACR is part of Mandatory Training. Cadets must attend this event in order to complete their training level, receive any related rank promotion, and participate in summer training. Only the Commanding Officer is authorized to excuse cadets.

I hope to see you and your family at this year's Annual Ceremonial Review to help us celebrate your child's accomplishments and all that our Squadron has achieved this year.

Next year will be here before we know it, and I look forward to your continued engagement and support, as we have so much more to accomplish with the development of our youth.

It has been my pleasure to serve as the Commanding Officer. I look forward to seeing you, family, and friends at this most important event and celebration.

Regards,

Major C. Blight, CD

Commanding Officer

Sqn. Ph#- 905-922-1232
